Learning & Discussion Events - FALL & WINTER Series

~ COMING EVENT ~

**AN OPPORTUNITY TO LEARN MORE ABOUT
DEVELOPMENT SERVICES ONTARIO (DSO)**

Since July 2011, all adults with a developmental disability now access a single point of contact in their region to apply for all services and supports. The new regional contact points will: provide information, confirm eligibility for service and supports, determine service and support needs, link people to services and supports, and administer direct funding agreements in the future.
