

Feeling Prepared for Hospital

in the midst of uncertainty,
what we *can* do to stay safe in hospital

DURHAM ASSOCIATION FOR
**FAMILY RESOURCES
AND SUPPORT**

Triage! (small t) triage! Risks!

What do I **really** need to worry about?

Come together for an evening with families sorting through the media hype, the real risks and the reality of our current COVID world.

Thursday, May 6, 2021
7:30pm to 9:00pm

**Let's talk this through
together and share some
helpful resources**

See and hear what other families are doing to be prepared in case a hospital visit is needed

Hear what we understand to be true about any "Triage Protocol" in Ontario and its use in Durham Region

How do we process the news, and changing information regarding hospital protocols

Register here for your Zoom link, to share what's on your mind, and join the conversation!
