2020 was a challenging year in a great many ways, and for many families of children and youth, 2021 still feels full of uncertainty and lost opportunities.

Join us this May -June for an online, interactive, 3-part mini-series, where we will come together to uncover and re-imagine what is still possible in our neighborhoods. Hear stories from other parents on how they have supported their loved ones with continued exploration, connection, and growth.

You will walk away from this series with the ideas, strategies, and the know-how you need to begin planning for a summer full of discovery, and inspiration for future possibilities.
